WOOLLEY AND CO.

The Minister of the Interior should turn his eye on that any thing but mode province, San Luis. There was a bull-fight there on Sunday, in direct violation of the law.

In Montevideo the Minister of Government has been coaxed into consenting to allow a bull-fight on the occasion of the Columbus feast next month. The River Plate is moving backwards.

The Lord Mayor's Artillery frightened the wits out of the people living in Calle Caridad and Venezuela in the city of Saturday night. As the swarms had never been in that quarter before, night or day, the residents thought their lives were in danger.

As we predicted, the attendance at Palermo on Sunday was tremendous, spite of a high wind and blinding dust. The event of the day, the Gold Cup, was won by Sam Martin, the best horse in the country, and to him horse and jockey, as the favorite, and imported horse, was never in the race. Sam paced, led his field by 40 lengths and won with tons in hand.

imagined, the distance was too long for him to run. Don Carlos and Puri were not in the race.

The following are the results:—

“beware you call them.” The *Chicago* mast editor remarks that he has always preferred something of the sort and glad to have her Majesty's endorsement and we are sure that our masculine readers will hesitate no longer but go bravely, one and all, for the nocturn equivalent in male attire, namely, the improved pyjama suits which can only, as most justly, be obtained at “The English.” When they are buying these they can also replenish their stock in every description, all of the highest quality and at most moderate prices.
